

GaCEC 2023 - 2026 Vision & Strategic Plan

GaCEC'S VISION: *What we desire to see in the world*

High-quality education that is inclusive and equitable for individuals with disabilities in Georgia.

MISSION *GaCEC's role in making our vision happen*

Cultivating, supporting, and empowering education professionals who work with individuals with disabilities.

- Advocating for education professionals and for individuals with disabilities and/or gifts and talents
- Advancing professional practice
- Promoting diversity, equity, inclusivity, and accessibility
- Building networks, partnerships, and communities

GOALS AND OBJECTIVES

Goals are high-level aspirations, while objectives provide a closer breakdown of how we will get there

Goal: Develop, engage, and support an effective and diverse workforce of special education professionals.

- Provide high-quality support to the pipeline of pre-service and early-career special education professionals
- Support the retention of effective and diverse special education professionals
 - Use our resources to show appreciation
- Increase awareness of, and provide access to current research and strategies for application
 - Highlight teachers and resources on the Community Board
 - Ask one member in each district to share our resources through SPED directors
- Plan and execute an annual conference
 - Make enough money to hire and pay a part-time executive director

Goal: Increase the impact of CEC's policy agenda for education professionals and for individuals with disabilities and/or gifts and talents.

- Provide resources and content expertise to the Georgia Department of Education and other agencies
- Develop and support a network of informed advocates
